2016 American Society of Marine Artists North Regional Exhibition April 15 to July 24, 2016

The American Society of Marine Artists (ASMA) is an association of leading marine artists adhering to and innovating the marine art tradition. Featured in this juried exhibition is contemporary marine painting and sculpture from the North Region of ASMA. Included are 50 works from selected from submissions from 50 ASMA members from the northern states and Canada and will include a variety of styles, subjects and techniques.

This exhibition is courtesy of the
American Society of Marine Artists.
